Adult Single Bronze (born 1989 and older)

FS 1:40 min ± 10 sec. for ladies and men

1. **A maximum of four (4) jump elements. Only single jumps are permitted**, no Axel type jump, no double or triple jumps can be included. There may be up to three jump combinations or jump sequences in the Free Program. One jump combination could consist of up to three (3) listed jumps, the other two up to two (2) listed jumps. A jump combination may consist of the same or another single jump. A jump sequence may consist of any number of single jumps that may be linked by non-listed jumps like mazurkas, half-loops etc. and/or hops immediately following each other while maintaining the jump rhythm (knee); there can be no turns/steps, crossovers or stroking during the sequence. However, only the two jumps with the highest value will contribute to the technical score. Any jump can be repeated only once and this repetition must be done either in a jump combination or in a jump sequence. Non-listed jumps may be included in the program as part of connecting footwork preceding single jumps. Please note that a half-loop in combination or in a sequence with any other listed jump will be called as a listed jump (1Lo).
2. A maximum of two (2) spins of a different abbreviation; The spins must have a required minimum number of revolutions: three (3) for the spin with only one position and no change of foot and four (4) for the spin combination with no change of foot and six (3+ 3) for the spin combination with change of foot. Flying spins are not permitted. There must be a minimum of two (2) revolutions in each position or the position will not be counted.
3. A maximum of one Choreographic Sequence (ChSq), covering the full ice surface. A Choreographic Sequence consists of any kind of movements like steps, turns, spirals, arabesques, spread eagles, Ina Bauers, hydroblading, transitional (unlisted) jumps, spinning movements etc. The Choreographic Sequence commences with the first move and is concluded with the last move of the skater. The pattern is not restricted. A Choreographic Sequence has a base value and will be evaluated by the judges in GOE only. Only the first executed attempt of a Choreographic Sequence will contribute to the technical score. Additional Choreographic Sequences will not be counted in the technical score but will be counted as moves-in-the field (transitions) and marked as such.
